

CANAL

News Flash!

As you are aware, Canal has recently upgraded its cargo forms to offer broader coverage and more options.

So, here's the question:

Is there a way to amend in-force policies to include broader coverage, or do we have to wait for renewal?

Canal has a solution!

Canal has made available an amendatory endorsement IM 133 that does the following:

- Removes the Commodities Theft Limitation
- Removes the Coinsurance Provision
- Removes the need for a trailer to be attached to a power unit for coverage to apply

Contact your General Agent today to add this FREE endorsement to your existing cargo policy!
